

# Poudre School District MiFi Instructions

## TURN ON THE MIFI (ENSURE THE MIFI IS CHARGED)

1. To **power on** (or to turn off) the **MiFi** device, **press and hold the power button for 3 seconds**, or until the screen activates or deactivates. ~~Tip: The power button is located on the front of the device.~~

Tip: The power button is located on the front of the device.

## FIND THE MIFI NAME (SSID) AND PASSWORD

1. Once the **MiFi** is powered on, and you see the T-Mobile logo **tap the power button to go through the options**.
2. The **second and third options** show the **WiFi name and Password**.

## CONNECT TO THE MIFI:

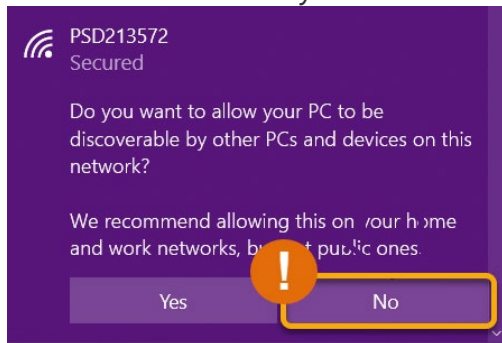

1. **Open the wireless connections on your device.** Look for the Wi-Fi name (ex: PSD123456).

2. Once you find this, click the **"Connect"** button and **verify Connect automatically is checked**.

3. Enter the **Password for the MiFi** in the space provided (**A**) and **click 'Next'** (**B**). (See #2 for password).

**Note:** If asked to allow your PC to be discoverable, **click 'No'** to continue.

4. **You're All Set!** Your device is now connected and has access to the internet. **Up to 5 devices, can be connected at once**, but you may see reduced speeds with each added device.

Student use of District information technology shall be in accordance with [District policy JS - STUDENT USE OF DISTRICT INFORMATION TECHNOLOGY](#). By accepting the MiFi device, the family and student **agree to comply with the terms and conditions included in District policy JS**.

**Still Have Questions?** Please reach out to your **School** for further troubleshooting and additional assistance.
